

# Bishop Ho Ming Wah Association & Community Centre

Registered Charity No.290398

To enhance & improve the quality of life of all residents, particularly Chinese, in London

## March 2021

Dear Friends

I hope you have been keeping well. COVID-19 will probably stay until enough of people have become vaccinated and immunised. We must all remain vigilant and continue to practise social distancing and cleanliness practices. The fact that the UK continues to be among those countries with the highest vaccination rates globally is encouraging.

The Community Centre will not be reopened for physical gatherings at least until the summer. In the meantime, we shall carry on with the development of online activities (delivered via Zoom). If you have access to smartphone or other digital equipment, please join us in building a happy and safe online community. Refer to the next two pages for the new online activities in the next quarter.

Because of prolonged social isolation, we understand some of you may struggle to deal with some day-to-day practical matters. As from April onwards, you are welcomed to contact us via telephone to request assistance for booking a medical appointment, translating English materials into Chinese, or looking up official information online etc.

On 25 March, the 2020 Annual General Meeting (AGM) was held using electronic means – first time ever in the Association's history. We would like to thank the Voting Members who participated to make this a successful event. The online voting process went smoothly in line with the Association's CIO constitution. We are hopeful that the 2021 AGM will return to the old format.

COVID-19 has had a massive impact on the Association's finances. We desperately need your generosity to help us change how we deliver our services to reach out to those who need us most in this difficult time. Your contributions are vital to make this happen fast.

Stay healthy!

Warmest regards  
Alice Chan
